Skilled in crafting compelling narratives, SEO-optimised content, and engaging scripts across platforms. Experienced in managing a personal WordPress blog (Unbothered Thoughts), and proficient in running Meta Ads, Google Ads, and social media strategies. Seeking to leverage technical knowledge and creative storytelling to drive brand growth as a Content Writer.

CORE SKILLS

- **Content & Writing:** Content Writing, Script Writing, Blog Writing, Storytelling, Copywriting
- **Digital Marketing:** SEO (On-Page & Off-Page), Social Media Marketing & Strategy, Content Calendar Management
- **Advertising:** Meta Ads (Facebook & Instagram) — Creative Development & Basic Campaign Setup, Google Ads
- **Design & Web:** Canva (Advanced) — Poster & Creative Design, WordPress Development, Website Management
- **Soft Skills:** Creativity, Research, Communication, Time Management, Attention to Detail

EDUCATION

Bachelor of Technology (B.Tech) | Completed 2023

- Completed undergraduate engineering degree with a foundation in analytical thinking and problem-solving

Digital Marketing Certification Course | Thinking Thrive Institute, Indore Jan 2026 – 20th May 2026

- Comprehensive 4-month program covering SEO, Social Media Marketing, Meta Ads, Google Ads, Content Strategy, WordPress & Canva
- Course completion: May 2026

WORK EXPERIENCE

IT Coordinator | Impulse July 2025 – Present

- Act as a key communication bridge between the development team and management, ensuring seamless information flow across both levels
- Coordinate with developers to gather project updates, technical progress, and blockers, and relay them clearly to managers
- Translate technical information into clear, concise updates for non-technical stakeholders and management
- Facilitate team meetings, follow-ups, and cross-functional communication to keep projects on track
- Support timely decision-making by ensuring managers have accurate, up-to-date information from the development team

Digital Marketing Intern | Inforag Technology, Indore 1st June 2026 – 1st July 2026

- Gained hands-on experience in social media marketing, managing content and engagement strategy across platforms
- Created posters and social media creatives using Canva, along with on-page SEO optimisation for content
- Produced content across formats including captions, creatives, and short-form copy for brand communication
- Designed Meta Ads creatives and assisted in basic Meta Ads campaign creation and setup
- Wrote blog content and designed accompanying posters/graphics to support blog publishing

DIGITAL MARKETING EXPERTISE

Key competencies developed through structured training and practical application:

- **SEO Strategy:** Keyword research, on-page optimisation, meta descriptions, and link building
- **Social Media:** Creating and scheduling content across Instagram, Facebook, and LinkedIn
- **Paid Advertising:** Campaign setup and management on Meta Ads Manager and Google Ads platform
- **Content Calendar:** Planning and managing monthly content pipelines for consistent brand voice
- **Canva Design:** Creating social media creatives, carousels, reels covers, poster designs, and branded graphics
- **Script Writing:** Writing short-form video scripts for Instagram Reels and YouTube Shorts

THINKING THRIVE LIVE PROJECTS

Practical projects completed during the Digital Marketing Certification at Thinking Thrive Institute:

Campaign Creation

- Designed and executed end-to-end ad campaigns on Meta Ads Manager (Facebook & Instagram) and Google Ads platform
- Defined campaign objectives, target audiences, ad creatives, and budget allocation for real-brand simulation projects
- Analysed campaign performance metrics (CTR, CPC, ROAS) and made data-driven optimisations

Scripting

- Wrote short-form video scripts tailored for Instagram Reels and YouTube Shorts for brand awareness campaigns
- Developed hooks, storytelling structures, and CTAs aligned with platform-specific audience behaviour

Website Audit

- Conducted comprehensive SEO and UX audits on live websites, identifying on-page issues, broken links, and page speed bottlenecks
- Prepared structured audit reports with actionable recommendations for content, meta tags, and technical improvements

Social Media Marketing Audit

- Audited brand profiles across Instagram, Facebook, and LinkedIn for consistency, engagement rate, content quality, and posting frequency
- Delivered gap analysis reports highlighting strengths, weaknesses, and a prioritised action plan for growth

Keyword Research

- Performed in-depth keyword research using industry-standard tools to identify high-volume, low-competition opportunities
- Mapped keywords to content strategy frameworks for blog posts, landing pages, and product descriptions
- Developed keyword clusters and content calendars based on search intent and business goals
