Hi, I'm Akanksha, a graphic designer passionate about turning creative idea into meaningful visual experiences I believe great design isn't just about how it look - it's about how it communicates and connects with people. I specialize in branding, social media design and visual design, with strong attention to detail and modern aesthetics, I'm skilled in tools like adobe illustrator, photoshop, indesign, coral, figma and after effect. My goal is to create design that combine creativity, simplicity and purpose helping brands to tell their stories in a unique and stunning way.
