

GARV KHOMNE

cinematographer

SUMMARY

I have been working as a Cinematographer & Video Editor with 4+ years of experience delivering high-quality visual content. Highly skilled in both behind-the-lens execution and final post-production. Known for delivering crisp, clean cuts, advanced sound effects, and kinetic text styling that enhance storytelling. Armed with strong market awareness

WORK EXPERIENCE

Brand shoots

Wedding shoot

Pre wedding shoot

Cinematic reels

Commercial project

Freelance (2022 – 2024)

- I worked as a freelance cinematographer and reel maker
- Shot and directed high-end cinematic videos, including brand campaigns, commercial projects, and premium wedding films.
- Managed full post-production workflow, delivering seamless clean cuts, immersive sound design (SFX), and dynamic typography to maximize viewer retention.
- Created engaging cinematic reels and short-form content for diverse clients, applying strong market trends to boost audience engagement.
